Our lives will never be the same. These last few months have been filled with many tests and trials that God has allowed into our lives. We have seen Him work in and through us. These challenges have made us stronger a family and brought us into a closer relationship with Him. As we continue to step out in faith we are learning more and more of His faithfulness and promises in our lives.

Earlier this fall we were able to visit the country we will soon call home. God opened up many doors and connected us with amazing people that were able to answer our many questions. We received several confirmations and are more excited than ever to walk in the perfect plans He has for our lives.

In just a few months we will be on the move. Times flies as it seems just days ago we accepted this life changing mission. As we prepare to go, we cannot help but be excited about the numerous opportunities we will have to share our faith with people. Going into a country where many people may never have the opportunity to hear the word of Jesus, we are excited to share the Gospel and make disciples.

Our desire is to develop long lasting relationships that will ignite a desire for the Lord. As we rely on Him every step of the way and are led by the Spirit, God will use us to grow His kingdom. We know the Love, Joy and Peace the Lord brings into a life and we want to be a part of God's mission to develop a disciple making movement that grows across the nation.

As we embark on this journey we know the power and importance of prayer. We know that God has gone before us and has opened up the hearts and minds of individuals who are ready and willing to seek His kingdom. We ask you to pray for:

- Continued focus on the unreached and least reached nations of the world
- Genuine love for God and others
- Our family's health, strength and protection
- Wisdom, discernment and courage
- Open doors and acceptance into the community

We are nothing without Him.

We know we are not alone in this journey. As a church body we stand together and united with one goal to reach all nations, tongues and tribes.

Join us in changing lives for the kingdom of God.
